PORTRAIT

Nestled in a valley located in the Upper Laurentians, AES is located about 17 km south of Mont-Tremblant in the small village of Arundel. Our school maintains a strong tradition of bilingual education for its Pre-Kindergarten to Grade 6 clientele. English Language Arts and Math are taught in English at all levels; Sciences and GHC are taught in English in cycles 2 and 3 as well as ERC in cycle 1. All other subjects are taught in French.

OUR VISION AND MISSION STATEMENTS

The school community of AES believes that the success and education of our children is a collective responsibility. It is a partnership involving the child, the home, the school, as well as the greater community.

We encourage our students to become lifelong learners, to accept responsibility, to show self-discipline and to strive to reach their full potential. We foster them to blossom as creative individuals and to develop into contributing members of society.

PARENT CONTRIBUTION

Our school's mission is supported by the invaluable help of our parent volunteers and the generosity of our Home & School Association. They participated in many ways this year, in motivating our students by contribution to the enrichment of our educational activities and school life.
